**SCHOOL NEWS**

On Monday morning the Film Club went on a fantastic visit to Bishop Auckland Town Hall to watch James and the Giant Peach. They had a wonderful time. On Monday afternoon all of the junior classes went to the Alun Armstrong Football Centre where they took part in an intra school competition. The pupils were in mixed teams and they took part against each other. They had a great time and were certainly tired after their series of games. Although the team points were close the winning team was Team 9. Well done to all the pupils. On Tuesday Class 3 had an awesome visit at Durham Cathedral which is a brilliant venue and the children learned a lot about St Cuthbert. Well done to all those pupils who took part in the cluster football tournament at King James this term, we are waiting for the final results.

**Parking**

A number of parking issues are still occurring and have been reported to the police who are going to come to school and monitor the situation. Most issues are at the end of the school day. Parents are regularly parking in the bus stop opposite the school preventing buses from stopping and we still have a number of parents parking and turning in the lane below school. Not only does this block the lane but it also causes a potential hazard to the other vehicles that are parked in the lane.

**Please see separate letter about Teaching Assistants Industrial Action.**

**Children in Need**

Thank you to everyone who has contributed in any way to making the Children in Need day a great success. It was a very 'crazy' hair day. Thank you to the children and staff for organising and contributing to this very important charity. We even had Pudsey in school on Thursday! We will count all the contributions and let parents know the amount raised as soon as possible.
