

Round the apple and down the leaf

Down the laces to the heel, round the toe

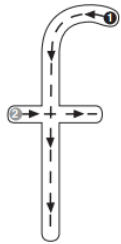

Curl around the caterpillar

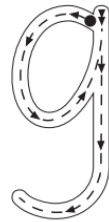

Around the dinosaur's bottom, up his tall neck and down to his toes

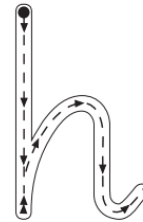

Lift off the top and scoop out the egg

Down the stem and across the leaves

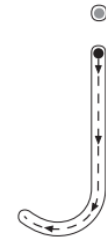

Round her face, down her hair and give her a curl

Down the head to the hooves and over his back

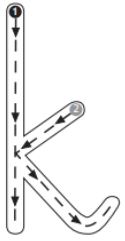

Down the insect and dot

Down his body, curl and dot

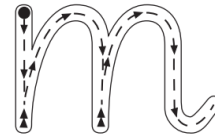

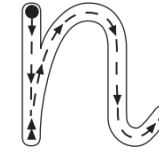

Down the kangaroo's body,  
tail and leg

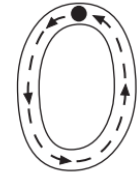

Down the long leg

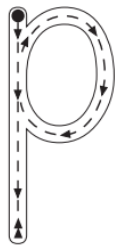

Down Maisie,  
mountain, mountain

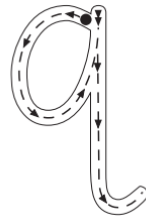

Down Nobby and over  
his net

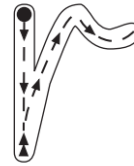

All around the orange

Down the plait and over the  
pirate's face

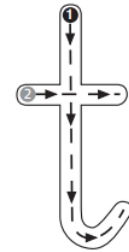

Round her head, up  
past her earrings, down  
her hair and flick

Down his body, then up  
and curl over his arm

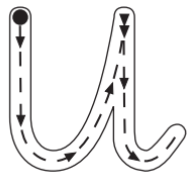

Slither down the snake

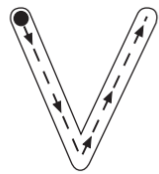

Down the tower, across  
the tower

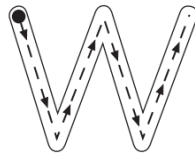

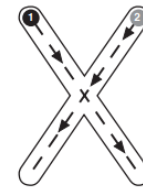

Down and under the umbrella, up to the top and down to the puddle

Down a wing, up a wing

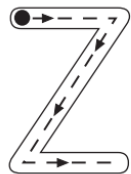

Down, up, down, up

Down the arm and leg, repeat the other side

Down a horn, up a horn and under his head

Zig, zag, zig
