Class 3 and 4 Visit

Children from Classes 3 and 4 had a brilliant day at The Botanic Gardens in Durham on Tuesday 13th June. The visit was linked to their Science topic this term, which has seen the children learning about *Plants*. The children had the expertise of head gardener Mike during the visit and had hands on experience with a variety of living things, ranging from stick insects to giant lily pads. It was a really enjoyable and informative visit.

SCHOOL SPORTS NEWS

Last week a team of year 3 pupils from our school took part in the next round of the tennis competition at Bishop Barrington School. They played extremely well throughout the day and eventually won the competition.

They are now through to the finals in July. Well done.

On Thursday, our cricket team played in a tournament at Crook Cricket Club, against ten local schools. All of the children were great ambassadors for our school. They also played well and won many of their games, showing great skill and sportsmanship.

Today we have had another team at Bishop Barrington taking part in the Basketball tournament. The team played very well and finished the competition second overall. Well done to the whole team.

Pupil Absence

Reminder to parents and carers

Since the government changed the rules regarding pupil attendance, we cannot authorise pupil absences during term time where the only reason given is family holiday. We can only authorise pupil absence from school where there are **exceptional circumstances**. This is particularly important where the child is already close to, or below, the government's required attendance level. Unauthorised time off school may lead to involvement of the local authority enforcement team and could lead to fines.

Please support your child's regular attendance at school. Thank you.
