Governor Information

A parent governor vacancy has arisen in our school. Please contact Mrs. Kidd for further information regarding this role and what is required in terms of time etc. Closing date for names for this role will be Monday 30th September. If we have a number of nominations an election will be held.

ATTENDANCE AND PUNCTUALITY

Attendance and punctuality at school are extremely important. There is a clear link between poor attendance and children's progress so it is very important that children are at school every day and are on time. Arriving late can be upsetting for a child and it causes disruption for the class. Children who are regularly late often miss important information at the start of the day. The school day begins at **8.55am** and Breakfast Club (if you wish to use it) begins at **8am**. This does not have to be booked and still costs **50p per day**.

A Leave of Absence Form must be completed if you require any planned time off school for your child (this includes medical appointments). This form can be obtained from the school office. Holidays are not regarded as exceptional circumstances.

Don Readman, the school Attendance Officer, works with our school on attendance and punctuality issues. He can provide advice and support to families and will also make home visits to help promote good attendance and punctuality at school.
