SCHOOL NEWS

It has been a busy week in school and it is great to see that the overall school attendance is higher this week following a couple of weeks of sickness. On Tuesday the whole school had the opportunity to take part in a Destination Judo taster session. This was both fun and very active. Class 2 had an excellent visit at St Helen Church as part of their RE topic. They really enjoyed looking around the church and learning about different symbols. On Thursday Classes 3 and 4 had a fantastic day at the Bowes Museum. This was part of an art project organised by the museum.

Near miss in the lane

Following continued parking by parents in the lane we have recently had a near miss incident involving a child. The police have been informed and we are looking at further action to prevent parking in the lane which is clearly dangerous when these cars pull out on to the path or block the path.

Next Week

Friday 9th February is the last day of this half term. The school will be closed for a week and then re-open as normal on Monday 19th February

EMERGENCY CONTACTS

Please inform the school office as soon as possible if you change your mobile number or your emergency contact details. All children must have at least 2 emergency contacts that can be called during school hours. This is important for many reasons including sickness or accident to your child in school.

NEXT WEEK – FRIDAY 9th FEBRUARY

Non Uniform and Treat

Next Friday is our end of half term non uniform day and treat afternoon. Children can bring their own games etc. into school but they are their responsibility. There will be the half term tuck shop as usual.

Late Marks

We are aware that the number of children regularly coming into school late has increased. Children should be at school by 8.55am. Clearly arriving late is not a good habit for the child to learn and it causes disruption for the class. It can also be upsetting for the child who arrives late. Next week we will be sending out letters to all the parents of children who have been regularly late, so that you are aware of the amount of time your child is missing in school. The aim is to help improve the child's punctuality.
