**SCHOOL NEWS**

It's the summer term already and it doesn't seem that long ago that the new starters were arriving in reception and we were preparing for a new school year. Hopefully we will get plenty of sunny days so that the children can enjoy the outdoors. If we ever get 'hot sunny days' - remember to apply suntan cream, send in a cap and encourage your child to drink plenty of water.

I would like to remind parents about considerate parking before and after school. Please do not park in the lane below school or block resident's access around school, including near to the top gate. There was nearly an accident last week when a child got into a moving car! Please park safely and encourage your child to use the school crossing. After school pick-up time is very busy and we all need to ensure the safety of the children. Thank you.

**ROBINWOOD RESIDENTIAL VISIT**

We had a large group of children staying at the Robinwood Outdoor Centre last week and they thoroughly enjoyed their time there. It is an excellent venue and our children took part in a range of fun and often challenging activities such as canoeing, climbing, caving, high-wire and obstacle course. Well done everyone.
