SCHOOL NEWS

This week Class 5 had an excellent visit to the Police Dog Unit as part of the Junior Neighbourhood Watch work. They also had an interesting visit into school which was about deaf awareness.

Class 4 visited the Museum of Archeology on Palace Green, Durham, where they took part in a day full of interesting activities based on their Greek topic.

On Thursday Classes 2 and 3 went on a short 'welly walk' organised by Marcus Watson from Sustrans. This is part of our work on promoting healthy lifestyles.

READING

Please encourage your child to read at home as much as possible. Reading helps them to improve their learning in so many ways. It provides information, promotes understanding, knowledge, communication skills, creativity and imagination. It also helps your child to improve their writing skills such as grammar, punctuation and spelling. It's good for you!

Above all reading can be fun, stimulating and enjoyable.

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." Dr Seuss

Please do not park in the lane

Can I remind everyone that parking in the lane below the school with cars, vans etc. before, during and after school is not permitted. The lane is not a public highway and needs to be accessible at all times. Vehicles parked in the lane before and after school also create a potential hazard for those children and parents who walk across the footpath in front of the lane. Car registration numbers will be taken and passed on to the police for further action.
