**SCHOOL NEWS**

The summer sun has finally arrived and the children have really enjoyed playing on the school field. However, to help with possible summer based problems can I remind parents about the following:-

- Please put **names** in all school clothing - when children are hot and take off their sweatshirts or cardigans it is often very difficult to find the original owner!
- Children can wear caps if it is sunny
- If suntan cream is required it needs to be applied at home before school
- Please remind your child to drink plenty of water during the day

Sunny, warm days are great fun but we all need to take precautions to ensure we get the best from the days that we have.

**Leave of Absence**

Schools cannot grant leave of absence for holidays. Schools can only authorise time off for children in exceptional circumstances. The school must be notified of all planned time off including informing the school office of medical appointments. Thank you.

A copy of the school holiday dates for 2016 -17 is on the back of this newsletter.
