Ofsted Visit

As you will be aware, we had a routine visit from Frank Cain, an Ofsted Inspector, on the 28th & 29th January. This visit was part of their planned programme of school visits and came three years after our previous Ofsted Inspection. The official report of the visit will be published in the next few weeks and will be made available to parents.

Thank you to all those parents who completed the online parent survey or spoke directly to the Ofsted Inspector during his visit.

Safer Internet Day

Tuesday 10th February 3.30pm - 4pm

We are going to hold an afterschool presentation for **PARENTS** about issues to do with computer and internet safety. This is clearly an important subject and all parents in school are welcome to attend. As this session is designed for adults, we will provide a different room/activities in school for your children during the internet session.
