NEW YEAR

The start of a new year brings opportunities and challenges for all of our children. This half term's SEAL(Social Emotional Aspects of Learning) theme is called Going for Goals and is a good time to remind the children about commitment and working hard to achieve their own goals. Our assembly this week was about Eric Liddell and the 1924 Olympics. It is also a good opportunity to remind them that all children's abilities, qualities and strengths are valued.

PUZZLE DAY

We had a fantastic day at our Maths Day on Tuesday when all of the children took part in a range of problem solving activities.

WINTER

As the cold, wet and windy weather lingers could you please ensure your child brings a warm coat to school. We also need the most up to date mobile numbers for yourself and your emergency contacts. If there is a possibility of any closure during the winter months the text system will be used to contact parents. Any school closures would also be on the school website and the Durham County website.

Last Wednesday Year 5 went to Bishop Barrington to take part in some science activities. Their work was based around electricity and magnetism. They carried out a number of stimulating experiments including generating their own electricity, which they used in circuits.

Safeguarding

During school hours, when the children are in their classes, parents need to remain at the school office and their child will be collected by a member of staff and brought to the office.

Thank You
