Safeguarding

Ensuring the safety of all the children in school is our main priority. We are also clearly concerned about the children as they travel to and from school, at the start and end of the school day. The **vast majority** of the children at Copeland Road Primary are brought to school and collected by a parent or other named adult, which is clearly the safest and best practice.

We sent a text last week to say that a child had been approached by an unknown adult and offered a lift. This incident occurred at St Helen's Primary and the adult in question was stated to be in a black van with a grey stripe. In addition to the text, we have reminded our children in school about strangers and not to accept lifts from adults they do not know. We will continue to remind children about this in the future as it is part of our Stranger-Danger work. As a small number of our older pupils do walk to, and from school, we would ask parents to remind them about not accepting lifts from strangers and about going straight home after school. **It is also important that ALL parents contact the school if there is going to be a change in the usual routine or someone different is collecting your child.**

Thank you

PUZZLE DAY

Tomorrow we are holding a Math's Puzzle Day in school. All of the children will be taking part. Please see the flyer for some additional information, as there is an opportunity for parents to buy some puzzle items after school tomorrow if they wish.

Attendance and Punctuality

Please note we record the names of all children who arrive in school late. Children coming into class after the register has been completed will be marked as late. Parents will be contacted if their child is regularly arriving in school after register has been completed. Persistent lateness will require the school to contact the Education Welfare Officer.
