Red Nose Day

We have had a red day in school today with almost every child wearing red to celebrate Red Nose Day. Thank you to everyone that has sent in donations and sponsored the children. This is a very important appeal and every year the children and parents at our school are extremely generous. Thank you also to the families who have generously donated gifts for the raffle which was a great success and raised £126. We will send a text to parents as soon as we have counted all the sponsor money.

Thank you.

Visitors – Busy week

On Monday Claire Garnham came in to talk to Class 6 about energy conservation. This was part of their science electricity work and included a practical activity about making coal. On Tuesday Class 5 met with two PCSOs in school to discuss the Neighbourhood Watch Programme. On Wednesday Marcus Watson came into school from Sustrans, he was working with some of our younger pupils and was teaching them to ride their bikes without stabilizers. Not easy! We have had Antony Wootten, an author, in school today. He has been working with all of the children in school on story-telling and writing skills. The children have really enjoyed his visit.

Cross Country

This morning Jessica from Class 6 took part in the latest round of the cross country. She represented the school brilliantly despite the horrible conditions. Well done Jessica.

Netball Festival

Yesterday a team from school took part in the local netball festival. They played extremely well and scored the most points in their games. Well done team.

Reminder Parents/Visitors Leaving School

Next to the sliding door at the front of school there is a small grey box with a silver button. To exit the school press the silver button and speak to a member of staff in the office.

Thank you
