

The following articles have all been written by pupils at school

### THEATRE VISIT

Class 5 and 6 went to the Darlington Civic Theatre to see Horrible Histories: Barmy Britain on Thursday 6<sup>th</sup> November. Mrs. Graham, who went on the visit said that she was really amazed at how many different parts of history were included in this show. Nathaniel said it was "funny and exciting" and he was amazed at the 3D parts. Daniel said it was "funny and sometimes weird". Ethan C and Ella also thought it was funny and the children in Class 5 and 6 said they learned a lot about history.

### Tanzania Visit.

Miss Dooley went to visit our partner school in Tanzania during half term. She said it was really amazing and even though the children do not have very much, they were really happy. They showed Miss Dooley some gymnastics and Miss Dooley showed them some Irish dancing. They had a mini game of World Cup football with other schools and our partner school wore a Copeland Road football kit. The partner school children made a huge banner with Copeland Road School written on it which they carried on the field. When the children fell over or were hurt playing football they very quickly got back up again and a lot of children played in their bare feet. Miss Dooley said the whole visit was an amazing experience.

### REMEMBRANCE CROSSES

On Wednesday we started to sell poppies for the British Legion Poppy appeal. We have also been selling rulers, pencils and bracelets for the appeal. In Class 6 we have been learning about the First World War and we have written the names of local soldiers on the crosses. On Friday a group of children from school took the crosses down to the Pant on the village green to remember the soldiers in the war that lost their lives.

### DOGS ON SCHOOL FIELD

Children who are going up the school field during after-school clubs are finding dog 'dirt' on the grass.

**Please can you keep your dogs out of the school field as this is where our children play.**
