WELL DONE EVERYONE

SCHOOL NEWS

Thank you to all the parents and friends who were able to come into school last Friday to look at the Design Technology work. The children really enjoyed their week and appreciated the opportunity to show it off to parents. On Monday we had Mrs. Naz in school. She is a teacher from Pakistan who has been visiting schools in our area. She talked to children in Class 5 and 6 about life, culture and education in Pakistan. On Friday we had a visit from Ira who is a storyteller. He worked with Class 4 on traditional stories as part of the British culture work we are doing in school. Year 3 completed their Road Safety Training with the Local authority this week. This week another group of children took part in scooter skills activities with Marcus Watson from Sustrans.

SPORTS COMPETITIONS

On Tuesday we had a team in the local area basketball competition and a team of girls in the County Cricket Final. Both teams played brilliantly with the basketball team going into the next round from our local area. Our cricket team was one of the 12 teams out of 160 in Durham County that reached the County finals. On Wednesday a team from school went to the local athletics event at Shildon. These were individual events and our children did really well with a number going on to the next round. On Thursday the Year 4 & 5 pupils were involved in another cricket tournament at Bishop Auckland where they performed very well. One of our teams were fourth on the day.

BRONZE SCHOOL MARK

On Wednesday we were awarded the Bronze School Mark for Sustainable travel. This is based on all the work that has been going on around travelling to school and the work with Sustrans in school.
