**SCHOOL NEWS**

Today children from our School Council went with pupils from Oakley Cross School and St Helen Auckland School to tidy up an area of the village. They had a great morning and have played their part in supporting the local community. This activity was part of World Environment Day and helps the children to understand their role in taking care of the environment. They were provided with the equipment by staff from Durham County Council who came into school to lead an assembly about litter.

Well done to all the children.
